

1-Page Campus Summary

Vetted Patriots Resilience Campus – St. Croix

Project Snapshot

Vetted Patriots Resilience Campus – St. Croix is a \$130 million humanitarian infrastructure project providing 50 acres of housing, behavioral health, agriculture, energy, and emergency readiness.

Village 5 anchors 45,000 sq ft of transitional housing, counseling, dining, and workforce training.

The Community Resilience Center (CRC) converts from daily recreation into sheltering 150–250 evacuees with 2,000+ meals/day.

Capital & Impact

Phase 1 request: \$128,220,017 covering land, core facilities, utilities, equipment, staffing, and runway.

120–200 construction jobs and 97+ permanent full-time roles with \$2–3M annual payroll.

100–150 transitional beds, 50–80 long-term units, and 20–40 family suites keep veterans and relatives together.

Microgrid & water autonomy keep kitchens, medical stabilization, and communications online during outages.
